

Jake's Postcard from Season 9 Episode 3

Hi everyone!

Blue Birdie and I made it to Wyoming and I delivered the dinosaur bone to Professor Z! I'm camping with Professor Z's students. We're right next to the big Quarries—there are so many dinosaur bones, Gadget would love it here! Today Professor Z let me follow him around and ask questions. Tonight around the campfire Professor Z read us this verse. "All things were made through Him, and without Him nothing was made that was made." -John 1:3 I asked if I can help dig tomorrow. Professor Z didn't answer me. I wonder if I'm asking too many questions?

Over and out,
